MLA International Bibliography

Call for Bibliographers

The *MLA Bibliography* is in need of bibliographers to index material in a number of Western and Asian languages: Celtic, Gaelic, Modern Greek, Hebrew, Italian, Welsh, Arabic, Chinese, Japanese, and Korean.

The bibliography is compiled by MLA staff members and by a network of distinguished scholars. Bibliographers cover a group of periodicals in their own fields and submit their indexing to the MLA office. The MLA staff fosters a cooperative working arrangement with bibliographers that allows them to offer work based on their individual specialties. Those who contribute to this effort provide an important service both to individual scholars and to the international scholarly community.

FOR INFORMATION ON CONTRIBUTING TO THE BIBLIOGRAPHY,
WRITE TO TERENCE FORD, COEDITOR, *MLA INTERNATIONAL BIBLIOGRAPHY*,
